

## Intern - Procurement

Location: Arlington VA

### About Fluence

Fluence, a Siemens and AES company, is the leading global energy storage technology solutions and services company that combines the agility of a fast-growing technology company with the expertise, vision, and financial backing of two industry powerhouses. Building on the pioneering work of AES Energy Storage and Siemens energy storage, Fluence's goal is to create a more sustainable future by transforming the way we power our world. The company offers proven energy storage technology solutions designed to address the diverse needs and challenges of customers in a rapidly transforming energy landscape, providing design, delivery and integration in over 160 countries. Fluence works closely with customers throughout their journey and provides advisory, financing, and project lifecycle services.

### Job Description

The procurement Intern will be responsible for data analytics as well as managing the creation and implementation of supply chain processes and tools. Must have a good understanding of processes and how databases work.

### Qualifications

Internship is for six months

Flexible hours to accommodate school schedules.

Desired capabilities:

- Structured
- Self-organized
- Proactive
- Understanding of processes
- MS Word Applications
- An affinity to supply chain would certainly be a plus but not required.
- Priority given to recent grads and graduating seniors
