

Junior Financial Planning & Analysis

Location: Manila, Philippines

About Fluence

Fluence, a Siemens and AES company, is the leading global energy storage technology solutions and services company that combines the agility of a fast-growing technology company with the expertise, vision, and financial backing of two industry powerhouses. Building on the pioneering work of AES Energy Storage and Siemens energy storage, Fluence's goal is to create a more sustainable future by transforming the way we power our world. The company offers proven energy storage technology solutions designed to address the diverse needs and challenges of customers in a rapidly transforming energy landscape, providing design, delivery and integration in over 160 countries. Fluence works closely with customers throughout their journey and provides advisory, financing, and project lifecycle services.

Job Description

Industry leading energy storage technology company requires a passionate individual who is committed to transform the way we power our world and accelerate a sustainable energy future and help deliver one of the largest portfolios of contracted energy storage in the world.

The role of the Junior FP&A will be as follows:

- Assist the FP&A Lead in the financial statements monthly closing process and reporting to parent company
- Work closely with External Accounting Provider
- Monitor daily bank balances and assist in cash management, cash flow planning and reporting
- Assist in tax and local regulatory compliance
- Provide assistance to other departments on the use of Concur, NetSuite and other accounting/finance related concerns
- Assist in internal and external audits
- Perform other FP&A assistance related tasks

Experience within Energy Storage markets is an advantage but is not mandatory, an agile mindset and comfort working in a fast-paced start-up technology led environment is essential.

Experience & Qualifications

The successful candidate must have:

- a minimum of 1-year relevant experience in financial reporting and closing month end procedures.
- He/She must be proficient in the use of MS Office and preferably has experience in the use of accounting software such as NetSuite.
- Must hold a Bachelor's degree in Business Studies or a major in Accounting. CPA preferred but not required.

Languages

Fluent in English and Filipino required

Compensation

Compensation for the successful candidate will be competitive and commensurate with experience. Components include a base salary and an incentive bonus.

Qualified candidates are requested to submit a resume and cover letter at careers@fluenceenergy.com
