

Corporate Controller

Location: Continental US (remote) or Arlington, VA

ABOUT FLUENCE

Fluence, a Siemens and AES company, is the leading global energy storage technology solutions and services company that combines the agility of a fast-growing technology company with the expertise, vision, and financial backing of two industry powerhouses. Building on the pioneering work of AES Energy Storage and Siemens energy storage, Fluence's goal is to create a more sustainable future by transforming the way we power our world. The company offers proven energy storage technology solutions designed to address the diverse needs and challenges of customers in a rapidly transforming energy landscape, providing design, delivery and integration in over 160 countries. Fluence works closely with customers throughout their journey and provides advisory, financing, and project lifecycle services.

Leading

Are you striving to level-up global accounting departments? Have you been part of an IPO preparation? Do others come to you for your accounting proficiency? Then our Corporate Controller might be the right role for you.

Responsible

Fluence is defined by its' unwavering commitment to safety, quality, and integrity. We take personal ownership in what we do, developing trust in our relationships with internal and external stakeholders. We firmly believe in having honest, forthcoming, and fair communications.

- You will direct levelling up the global Fluence accounting policies and procedures in line with the exponentially growing diversity and geography of group operations.
- You will coordinate the day-to-day accounting function across the group of companies and structure it as per evolving business needs.
- You will support the work with internal and external partners to get Fluence ready for a future IPO.
- You report directly to the CFO.

Agile

Here at Fluence, we strive to continuously improve, to be intellectually curious and be adaptive to our customers and employee's needs. Collaboration is key, both in our partnerships with our customers, and with each other. Fluence prioritizes the most critical efforts that allow for the greatest impact. What should an interested candidate bring to Fluence?

- Minimum of 15 years' experience working in accounting and business administration roles in a public company, proven leadership skills.
- Demonstrated ability on managing the accounting function on the consolidated level of group of companies, including managing audits and ERP customizations.
- Ensuring compliance of the company's accounting policy and its implementation according to the latest GAAP requirements, experience in taking a company public and Sarbanes-Oxley implementation and compliance.
- Master's degree with a major in accounting, business administration or equivalent training.
- Active US CPA status or equivalent.

Fun

We are always looking for employees who are excited by challenges and the opportunity to be problem-solvers. Our entrepreneurial mindset allows for creativity, sense of urgency and fulfillment. Our employees love what we do and are passionate about the way we power our world.

- You enjoy working in a high growth environment with evolving commercial business models.
- You contribute to building a sustainable business of global scale.
