### About Fluence

Fluence, a Siemens and AES company, is the leading global energy storage technology solutions and services company that combines the agility of a fast-growing technology company with the expertise, vision, and financial backing of two industry powerhouses. Building on the pioneering work of AES Energy Storage and Siemens energy storage, Fluence's goal is to create a more sustainable future by transforming the way we power our world. The company offers proven energy storage technology solutions designed to address the diverse needs and challenges of customers in a rapidly transforming energy landscape, providing design, delivery, and integration in over 160 countries. Fluence works closely with customers as trusted advisors throughout their journey and provides advisory, financing, and project lifecycle services.

**Leading:** Do others come to you for your subject matter expertise? Are you excited by the challenge of working in a start-up atmosphere with a purpose?

Are you interested in helping to build and manage a global corporate tax function? If you are looking for an opportunity to develop and implement a strategic global corporate tax planning, research, and compliance function in a start-up environment, this may be the role for you.

**Responsible:** Fluence is defined by its unwavering commitment to safety, quality, and integrity. We take personal ownership in what we do, developing trust in our relationships with internal and external stakeholders. We firmly believe in having honest, forthcoming, and fair communications.

- You will be part of a finance and accounting team building from scratch and implementing systems and processes used for capturing data to make strategic tax decisions, while also complying with corporate direct and indirect taxes on a global basis.
- You will have the opportunity to be an internal business tax advisor.
- You will be responsible for identifying opportunities to minimize tax costs, maximize cash flow, and implement efficient and effective business processes.

- You will be responsible for managing certain in-house in-direct tax compliance, operations, annual US GAAP provisions and annual Federal and State Income tax filings.

**Agile:** Here at Fluence, we strive to continuously improve, to be intellectually curious and be adaptive to our customers and employee's needs. Collaboration is key, both in our partnerships with our customers, and with each other. Fluence prioritizes the most critical efforts that allow for the greatest impact.

- 6+ years Public Accounting and/or Large Corporate Tax Department direct and indirect tax compliance experience
- Strong Accounting ERP and Tax Compliance System experience
- Strong Organizational Skills
- Strong Microsoft Office Skills

**Fun:** We are always looking for employees who are excited by challenges and the opportunity to be problem-solvers. Our entrepreneurial mindset allows for creativity, sense of urgency and fulfillment. Our employees love what we do and are passionate about the way we power our world.

If you value building team relationships across all business verticals, diving in and figuring things out because what needs to be done hasn't been done before, being a leader and you don't mind being a self-starter then you'll enjoy helping to build a global tax function in a fast paced start-up environment.
