

Director of Finance Excellence

Location: Continental US (remote) or Arlington, VA or Germany

ABOUT FLUENCE

Fluence, a Siemens and AES company, is the leading global energy storage technology solutions and services company that combines the agility of a fast-growing technology company with the expertise, vision, and financial backing of two industry powerhouses. Building on the pioneering work of AES Energy Storage and Siemens energy storage, Fluence's goal is to create a more sustainable future by transforming the way we power our world. The company offers proven energy storage technology solutions designed to address the diverse needs and challenges of customers in a rapidly transforming energy landscape, providing design, delivery and integration in over 160 countries. Fluence works closely with customers throughout their journey and provides advisory, financing, and project lifecycle services.

Leading

Do you gravitate toward the strategic initiatives in commercial project management? Find the opportunity to drive process improvements on a global scale an exciting prospect? Feel evangelical about the need for automation and digitalization in finance? Then this role could be for you.

Responsible

Fluence is defined by its' unwavering commitment to safety, quality, and integrity. We take personal ownership in what we do, developing trust in our relationships with internal and external stakeholders. We firmly believe in having honest, forthcoming, and fair communications.

- You will work with the finance leadership team to become best in class in financial processes and commercial project management
- You will perform a baselining exercise to identify key strengths and areas for improvements
- You will drive initiatives to level up critical aspects within the finance organization, including People, Processes, and Tools
- You will coach and guide members of the finance team through excellence initiatives

Agile

Here at Fluence, we strive to continuously improve, to be intellectually curious and be adaptive to our customers and employee's needs. Collaboration is key, both in our partnerships with our customers, and with each other. Fluence prioritizes the most critical efforts that allow for the greatest impact. What should an interested candidate bring to Fluence?

- 15 years' experience in a multinational business with a strong background in commercial aspects including contracting, cost estimation, revenue recognition and cross-border transactions of large-scale energy or construction projects
- Experience in strategy deployment, change management and organizational development concepts
- Demonstrated ability interfacing with, influencing and collaborating with senior business leadership at an executive level
- Master's degree with a major in accounting, business administration or equivalent training

Fun

We are always looking for employees who are excited by challenges and the opportunity to be problem-solvers. Our entrepreneurial mindset allows for creativity, sense of urgency and fulfillment. Our employees love what we do and are passionate about the way we power our world.

- You enjoy working in an environment where not all processes and roles and responsibilities are yet defined and strive to bring Fluence to next level.
