ABOUT FLUENCE

Fluence, a Siemens and AES company, is the global market leader in energy storage technology solutions and services, combining the agility of a technology company with the expertise, vision, and financial backing of two well-established and respected industry giants. Building on the pioneering work of AES Energy Storage and Siemens energy storage, our goal is to create a more sustainable future by transforming the way we power our world. Providing design, delivery and integration, Fluence offers proven energy storage technology solutions that address the diverse needs and challenges of customers in a rapidly transforming energy landscape.

Fluence currently has more than 2.4 gigawatts of projects in operation or awarded across 24 countries and territories worldwide. We topped the Navigant Research utility-scale energy storage leaderboard in 2018 and were named one of Fast Company's Most Innovative Companies in 2019. In 2020, our sixth-generation Tech Stack won Commercial Technology of the Year at the 22nd annual S&P Global Platts Global Energy Awards.

Leading

Are you looking for an opportunity to lead the month-end close processes for an entity from start to finish? Do others come to you for your accounting proficiency? Then our Accounting Manager might be the right role for you.

Responsible

- You will coordinate the day-to-day work of accounting service providers across the group of companies and lead month-end close cycles for the Americas.
- You will ensure that company transactions across diverse business lines, including the delivery of energy storage solutions, long-term maintenance services, and digital/SaaS offerings, are properly accounted for.
- You will own the month-end close for the Americas from beginning to end.
- You report directly to the senior manager of accounting.

Agile

Here at Fluence, we strive to continuously improve, to be intellectually curious and be adaptive to our customers and employee's needs. Collaboration is key, both in our partnerships with our customers and with each other. Fluence prioritizes the most critical efforts that allow for the greatest impact. What should an interested candidate bring to Fluence?

- Minimum of 5 years' experience working in accounting and business administration roles.
- Self-starter with a proven track record of grit and determination to drive process improvement.
- Demonstrated ability in managing accounting and financial reporting functions, including support in business administration, managing audits, and ERP customizations.
- Ensuring compliance with the company's accounting policy and its implementation according to the latest GAAP requirements.
- Advanced knowledge and skill with excel and the ability to automate tasks.
- Demonstrate the ability to work in a fast-paced, dynamic environment.
- Bachelor's degree with a major in accounting, business administration, or equivalent training.

Fun

Working on transforming a fundamental part of our society is exciting and fulfilling. It requires creativity, diversity of ideas and backgrounds, and building trust to effect change and move with speed. We respect our coworkers and customers. We listen to what others have to say, and we are inclusive.

- You enjoy working in a high-growth environment and evolving commercial business models.
- You contribute to building a sustainable business of a global scale.
