

Staff Accountant

Location: Continental US

ABOUT FLUENCE

Fluence, a Siemens and AES company, is the global market leader in energy storage technology solutions and services, combining the agility of a technology company with the expertise, vision, and financial backing of two well-established and respected industry giants. Building on the pioneering work of AES Energy Storage and Siemens energy storage, our goal is to create a more sustainable future by transforming the way we power our world. Providing design, delivery and integration, Fluence offers proven energy storage technology solutions that address the diverse needs and challenges of customers in a rapidly transforming energy landscape.

Fluence currently has more than 2.4 gigawatts of projects in operation or awarded across 24 countries and territories worldwide. We topped the Navigant Research utility-scale energy storage leaderboard in 2018 and were named one of Fast Company's Most Innovative Companies in 2019. In 2020, our sixth-generation Tech Stack won Commercial Technology of the Year at the 22nd annual S&P Global Platts Global Energy Awards.

Leading

Are you looking for an opportunity to join a team where you can learn about different processes related to Financial reporting cycle, such as month-end close, expense management, internal controls, revenue recognition? Then our Staff Accountant position might be the right role for you.

We take personal ownership in what we do, developing trust in our relationships with internal and external stakeholders. We firmly believe in having honest, forthcoming, and fair communications. In this role you will:

- Preparing and processing of general ledger transactions and journal entries
- Assist in completing the monthly close process
- Assist with quarterly and year-end audits
- Various ad hoc financial analysis and performing special projects as requested
- Provides accounting support to internal customers

Agile

Here at Fluence, we strive to continuously improve, to be intellectually curious and be adaptive to our customers and employee's needs. Collaboration is key, both in our partnerships with our customers and with each other. Fluence prioritizes the most critical efforts that allow for the greatest impact. What should an interested candidate bring to Fluence?

- Bachelor's degree in accounting
- 0-2 years of experience in an Accounting role
- Knowledge and skill with excel and the ability to automate tasks is a plus
- Demonstrate the ability to work in a fast-paced, dynamic environment

Fun

Working on transforming a fundamental part of our society is exciting and fulfilling. It requires creativity, diversity of ideas and backgrounds, and building trust to effect change and move with speed. We respect our coworkers and customers. We listen to what others have to say, and we are inclusive. In addition:

- You enjoy working in a high-growth environment and evolving commercial business models
- You contribute to building a sustainable business of a global scale
