ABOUT FLUENCE

Fluence, a Siemens and AES company, is the global market leader in energy storage technology solutions and services, combining the agility of a technology company with the expertise, vision and financial backing of two well-established and respected industry giants. Building on the pioneering work of AES Energy Storage and Siemens energy storage, our goal is to create a more sustainable future by transforming the way we power our world. Providing design, delivery and integration, Fluence offers proven energy storage technology solutions that address the diverse needs and challenges of customers in a rapidly transforming energy landscape.

Fluence currently has more than 2.4 gigawatts of projects in operation or awarded across 24 countries and territories worldwide. We topped the Navigant Research utility-scale energy storage leaderboard in 2018 and were named one of Fast Company's Most Innovative Companies in 2019. In 2020, our sixth-generation Tech Stack won Commercial Technology of the Year at the 22nd annual S&P Global Platts Global Energy Awards.

Leading

Do others come to you for your subject matter expertise? Are you excited by the challenge of working in a start-up atmosphere with a purpose?

The Buyer/Planner is responsible for procuring goods and services and ensuring the product is delivered to the site on time. This key role will interface with multiple departments and will align procurement activities to match the requirements in the master production schedule.

Responsible

Fluence is defined by its unwavering commitment to safety, quality, and integrity. We take personal ownership in what we do, developing trust in our relationships with internal and external stakeholders. We firmly believe in having honest, forthcoming, and fair communications. In this role you will:

- Oversee PO placement, receiving order confirmations from suppliers, and ensuring deliveries are scheduled to meet the project requirements.
- Coordinate inventory planning and replenishment of raw material components
- Evaluate suppliers based on price, quality, and delivery
- Support Category Management in the creation and execution of sourcing strategies
- Solicit bid proposals and review requisitions for goods and services
- Optimize supply chain operations to increase efficiency

Agile

Here at Fluence, we strive to continuously improve, be intellectually curious and be adaptive to our customers and employee's needs. Collaboration is key, both in our partnerships with our customers, and with each other. Fluence prioritizes the most critical efforts that allow for the greatest impact. What should an interested candidate bring to Fluence?

- Minimum of 4 years related work experience
- Bachelor's degree in Business Administration, Supply Chain or Engineering
- Basic Finance and Accounting skills
- Proficient in Microsoft Office (Power Point, Word, Excel)
- Excellent written and verbal communication skills
- Entrepreneurial drive and ability to prioritize and execute many tasks in parallel

Fun

Working on transforming a fundamental part of our society is exciting and fulfilling. It requires creativity, diversity of ideas and backgrounds, and building trust to effect change and move with speed. We respect our coworkers and customers. We listen to what others have to say, and we are inclusive.

We are a passionate team that enjoys taking on new challenges. We are continually learning and putting plans in place to drive the success of the company forward.
